

10

TIPS TO STAY SAFE IN ANY NEIGHBORHOOD

01. Remember that every police officer is not “out to get you”
02. Do not run if approached by police
03. Do not use profanity or raise your voice if stopped – try to stay calm
04. Keep your hands visible at all times
05. If you get pulled over, keep your hands on the steering wheel until the officer steps up to the vehicle and addresses you
06. Before allowing someone else to drive, ask if they have any illegal weapons/ drugs on or with them, and if their license is valid
07. Know who and what is in your car when you are giving rides
08. When driving, avoid playing your music loudly, having too many people in your car, and having open alcohol containers
09. Do not resist arrest
10. To report police misconduct, call your local police department
